The screenshot shows a 'My Students' page with a modal dialog box titled 'Added Security & Privacy Field: Date of Birth'. The dialog contains a message to 'HI TEST PARENT,' and asks to add a 'Date of Birth' for security. It features three dropdown menus for 'Month', 'Day', and 'Year'. Below the form are 'Add my Date of Birth' and 'Close' buttons. The background page shows a table with columns for 'Status', 'Name', 'Class', 'Sports/Activities', and 'Actions'. The first row shows a student named 'STUDENT, TEST' in class '2020' with 'Update Forms', 'Profile', and 'Edit' actions.

Added Security & Privacy Field: Date of Birth

HI TEST PARENT,

Please add your **Date of Birth** below. In the event that you lose access to your email account, this helps us verify who you are and prevent duplicate accounts.

Form.

4. **Pending Admin Approval** - If you see this status, it indicates the Administration is still expecting you to turn in one or more paper forms, common cases are physician-specific forms or that the student is ineligible for some other reason.

Important If your child is a student-athlete, you will need to get your student re-evaluated by a doctor periodically according to school policy. Automatic emails will be sent to you when your student's **Physical** is within **60,30,15,5 days** of expiring.

Note You may add/remove sports at any time before the deadline, though you and your student will both be required to look over and (re)certify that all information in your forms is still correct. (Some sports may have additional forms.)
